CANINE EXPERIENCE

EDUCATION

Westinn Kennels

2000 – Never Ending!

Primary facility for attending classes and seminars (Ian Dunbar was my favorite). Have attended Rally, Conformation, Obedience, Agility and Nose Work with many different instructors and through many levels.

Absolute Dog Training (absolute-dogs.com)

2015 - Present

Had a reactive dog and found this training duo from England online. Their games have made a world of difference to my dog and I; in day- to-day life and dog sports. Still use their multiple course offerings to improve my relationship with my dogs (Puppy, Off-leash work, etc.).

Continue to attend seminars and events dealing with dog behavior and training.
